ST. JOHN'S

Since its relocation from Temple Street in 1962, St. John's has thrived and become celebrated for its excellence in academics, athletics, and extracurricular life. In addition, the spirit and vitality present at Temple Street has developed in Shrewsbury into what can truly be called the Saint John's Family. In 1987 this spirit reached new heights as St. John's captured the District Titles in Cross Country and Hockey, as well as the Worcester County Math League title for the fourth year in a row. Much has changed physically since the days of Temple St. and the early Pioneer days in Shrewsbury in the 1960's; however, the living spirit of Excellence, with the school from its start, will guarantee its future success.

PEOPLE

St. John's has always been more than a mere institution of learning. As with any community, its success rests in the hands of the individuals that comprise it. Thanks to the dedication of faculty, students and administration, St. John's can boast of a multitude of activities spanning all areas of school life. It is the people, not the program, who have contributed to a successful Ad Drive, an entertaining Spring Show, packed hockey arenas, and Canadian and European trips, to name just a few. The pages that follow highlight the individuals who have given of their time and talent to help the St. John's community excel.

DEDICATION

The Yearbook Staff dedicates our 1987 anniversary edition to four individuals whose commitment to St. John's totals sixty-five years. It is with respect and love that we remember these four dedicated members of the St. John's Family.

Mr. Paul Lamontagne was a member of the Language Department from 1977 to 1986. In addition to teaching both French and Spanish, he served as French Club moderator, Model UN moderator, and Stage Crew supervisor for the annual spring show. He is presently Chairman of the Foreign Language Department at the Portsmouth Abbey School in Rhode Island.

Mr. Vincent Carver was a member of the Social Studies Department from 1981 to 1986. During his five years at St. John's, he taught all levels of history and also acted as a sophomore class moderator and Model UN moderator. He is currently employed by the U.S. State Department and is assigned to the U.S. Embassy in Riyadh, Saudi Arabia.

Mrs. Evelyn Sharp, after twenty-six years of devoted service, retired in October, 1986, from her position as cook in the Brothers' residence. Although virtually unknown by the student body, Mrs. Sharp will long be remembered for her kindnesses to both lay staff and Brothers' community. May she enjoy a long and happy retirement.

Mrs. Jeanne Garvey celebrated her twenty-fifth year in the treasurer's office in 1987. Beginning as assistant treasurer to the late Brother Ivan in the early 1960's, when the treasurer's office was located in the present athletic director's office, Mrs. Garvey is today the Financial Administrator of the school. We wish this gracious lady many more years of happy service to St. John's.

IN MEMORIAM

On February 11, 1987, Mrs. Janet Powers, a member of the religion department at St. John's, passed away after a courageous and inspirational battle against cancer. The entire St. John's family was saddened by the loss of this gracious and loving human being, and the large number of staff and students at the funeral rites was a fitting tribute to the esteem in which Mrs. Powers was held.

In addition to her teaching duties, Mrs. Powers was a co-moderator of the Student Activities Council. Her enthusiasm and imagination were reflected in the numerous SAC programs which were inaugurated duirng her tenure as co-moderator.

By her own admission, one of her fondest memories was the 1986 Junior Prom held at Mechanics' Hall in Worcester. This Prom was one of the last school activities that she was well enough to attend. May she rest in eternal peace.

S.A.C.

Without a doubt, the 1986-87 Student Activities Council was one of the most active, responsible, and successful that St. John's has seen in recent years. Under the guidance of co-moderators Mr. John Deedy and Mr. Jay Coggins, SAC President Matt Pedone and SAC Vice-President Chris O'Connor (assisted by Treasurer Chris Murphy, Secretary Mark Monopoli, Activities Coordinator Mike Pratt, Publicity Chairman Mike Pedone, and Parliamentarian Terry Reidy), SAC sponsored numerous events that made the St. John's 1986-87 school calendar the busiest in Worcester County. SAC conducted three highly successful dances, the highlight of which was the March 28th Lip-Sync contest before a sell-out crowd. Two successful blood drives brought in 100 donations of blood. In addition to the traditional clothing and food drives at Thanksgiving and Christmas, SAC implemented the addition of a third class officer, a treasurer, to each class level, supported the first annual St. John's Model UN, increased the class funds for each class, expanded the Alcohol Awareness Program, organized the Big Brother program for the incoming class of '91, and implemented the April 10th senior Spree Day. The entire St. John's student body benefitted from the extraordinary commitment and dedication of the Student Activities Council.

INTRAMURALS

The Class of '87 exhibited active involvement and participation in the extensive intramural program at St. John's The intense competition began when three senior, three junior, and two sophomore teams qualified for the annual flag football tournament. Each team represented the premium athletes of their respective gym classes, entering the competition with no-loss records. The seniors of '87 showed their athletic prowess by dominating the field with the mighty Jay Duke's team (p. 28) capturing the title. Shane Hassett (left) was chosen as the M.V.P. By their domineering and aggressive presence, the seniors retained this title for the second year in a row, having won the title last year as juniors.

The winter season held in store a competitive basketball tournament. Each team was comprised of a representative group of athletes from each homeroom. Competition was fierce with advancement and elimination being determined by a few points.

The senior volleyball tournament had just began as of this writing. Teams are handpicked by the respective captains with a wide diversity of competitiveness. This tournament enrolled 75% of the senior class. The tournament champion will be determined by single elimination. The victor will receive a considerable cash prize.

XAVERIAN AWARD WINNERS

The 1987 recipients of the coveted Xaverian Award are seniors Michael Turpin and Scott Cotoia. The winner of this award is chosen by a secret faculty vote. The award is bestowed upon those students who best reflect the Xaverian Spirit of St. John's High School. The entire St. John's Family extends its congratulations to these fine young men.

GIFT OF LIFE

The Red Cross Bloodmobile visited the St. John's campus twice during the '86-'87 school year. The results of the December Blood Drive were somewhat disappointing; a lack of formal permission forms from the Red Cross resulted in a total of only thirty-five donations. The goal of the April 1st drive was 55 quarts of blood. Before the day was over, sixty-one students and faculty members had been able to donate their blood.

Both blood drives were coordinated under the aegis of the Student Activities Council and co-moderator Mr. Jay Coggins. The officers of the Council organized the registration process and were present the entire day to ensure a smooth operation. The Manor House sun room accommodated six tables and therefore provided a rapid turnover of donations. Groups of four students every fifteen minutes were sent to the Manor. There were few casualties reported, and the Red Cross is anxious to return next year. Perhaps a goal of 100 quarts could be realized during the '87-'88 school year.

CLUBS & ACTIVITIES

Both in its Temple Street days and in the twenty-five years it has been in Shrewsbury, St. John's has offered a wide range of extra-curricular activities to its students. These various clubs and organizations allow the faculty and students to share common interests and to learn in an informal atmosphere.

In 1987 these clubs and organizations continued to thrive and expand. Besides traveling to Georgetown and Harvard, the Model UN, for the first time, hosted its own conference at the school this spring. The English Club sponsored a series of debates on current affairs; perhaps the spirit of the former glory days of the Philoponia Debating Society may be rising. The Math Club again proved that St. John's can boast the best math students in the County.

As these and other clubs continue to grow and develop, one thing remains the same — the commitment to excellence by the students as well as the faculty.

YEARBOOK, '87

In celebration of St. John's 25th Anniversary in Shrewsbury, the '87 Yearbook staff decided in September that this book should be unique. Not only would it record memorable events throughout this year, but it would reflect on SJ's growth and development since its relocation to Shrewsbury.

Under the guidance of moderators Mr. Brian Murphy and Brother Thomas Ryan, editors Jim FitzGerald, Eric Berthiaume, Bill Kavanagh, and Chris O'Brien worked with a small but dedicated staff. This book features 32 pages of color, an enlarged format, a candid senior section, and a special historical segment recording memorable dates in St. John's history.

Other staff members included: seniors Sean Flynn, Derryl Dion, Tim Cronin; juniors Alex McLean, Mark McManus, John Giordano; sophomores Tom McGuirk, Chris Saad, Chris DiPilato, Ray Pescaro, Jimmy Underwood, Mike McCarthy, Jason Bellner; and freshmen Silvio Menzano, Sean McGrath, and Mike Vivaldi.

ST. JOHN'S MODEL U.N.

Among the U.N.'s numerous activities were weekly meetings, including both General Assembly and Security Council, attendance at two nat'l. conferences, an emergency crisis simulation, and the first annual St. John's Regional Model UN Conference.

Under the leadership of moderators Mr. Novick, Mr. Manzello, Mr. Laborde, and Mr. Baker, the club enjoyed success in the weekly sessions dealing with the problems of drug trafficking, the Middle East, and the India-Pakistan conflict. At the Harvard Conference, the St. John's delegation represented the interests of Democratic Kampuchea. Despite our two major countries at Georgetown (China and Japan), there was no greater adversary than the weather which temporarily delayed their arrival at the conference.

As the year drew to a close, the UN found new life in an emergency crisis session which considered the question of a Middle East peace keeping force. One of our major accomplishments this year was the 1st Annual St. John's Model UN Conference. Nearly 50 delegates from schools in MA and RI gathered to form two security councils dealing with topics of Kampuchea, the Middle East, and Namibia.

THE FRONTIER

The St. John's newspaper, The Frontier, aims to provide school news, features, and opinion articles for the entire St. John's family.

This year The Frontier staff prepared a special edition for the opening of the school year on September 3rd. This issue welcomed the Class of 1990 and extended best wishes to the Class of 1986. Some of the features included in this special edition were: a freshmen directory by city or town, a section on people at St. John's, a listing of all clubs and activities and their moderators, a fall sports preview, and a pictorial review of the 1985-86 school year.

Over 25 students were involved in the paper's publication. Seniors Scott Cotoia, Andrew Cooney, and Eric DeJong served as editors. Mr. James Curran and Mr. Patrick Gillis were The Frontier moderators.

VIDEO CLUB

Throughout the year, the Video Club has played an important role at St. John's by filming all major social, academic, and athletic events. The members have learned good techniques of formatting programs, filming, and the assembly of the final tape. These skills enable the members to become proficient in all aspects of video work.

Sports tapes serve a threefold purpose: anyone who missed a game can see it on tape; coaches use the tapes to see mistakes and develop new strategies; college athletic departments can see individual performances without attending the game.

The Video Club also filmed both Drama Club productions and the Spring Show. Tapes of these excellent performances can be forwarded to college admissions offices as evidence of an actor's talent.

The Video Club aims to be responsible, consistent, and professional in all of its endeavors.

CLASSIC DRAMA: OUR TOWN

On Halloween weekend, the St. John's Drama Club presented Thornton Wilder's 1938 classic drama, **Our Town.** Our cast of twenty-four young people had the difficult if ultimately satisfying task of transforming themselves into the citizens of a New Hampshire town at the turn of the century when people in a simpler, more feeling America were actually concerned about their neighbors and felt linked to them in a community lasting beyond death.

The job of anchoring the play, which hits notes of realism, humor, and tragedy, fell first to junior Rick Homan in his huge role of the storytelling Stage Manager. Not only did Rick learn the hundreds of lines, but he created a believable character. As the luminous teen-age lovers Goerge Gibbs and Emily Webb, seniors Bill Brown and Dawn Reddy of Notre Dame played their parts with a touching believability and fire. Also scoring memorably in the acting department were Rob Mess and Christy Clark as Dr. & Mrs. Gibbs, and Ethan Matyi and Megan McGarry as the dryer Mr. & Mrs. Webb. Rob, Christy, Ethan and Meg had to be Victorian/godlike/authoritarian parents and probably had the hardest job of acting to do.

Because we were working without a set, it was important that Andy Sonier, in his triple job of student director, stage manager, and actor, find evocative antique furniture. John Girouard and Brad Wyatt, along with Andy Brown and Gary Mess, created and operated a particularly beautiful lighting design that "peopled" and warmed up our bare stage. Actors Jay Benotti, Joe Hamel, and Stefan Georgules made amusing live sound effects from offstage. A tremendous boost to the success of the play came from Mr. Stephen Gregory in his role of music director and the amazing Joe Allen, on loan from the Jazz Ensemble. Mr. Gregory played organ throughout the production giving the play an ole-time spiritual feel, and Joe made up super whooshing rain and other sound effects for us. Laura Seidenberg and her assistants created natural no-makeup on our actors, echoing the simple, no-illusions theme in the rest of our production.

In sum, this was one of the most artistically successful Drama Club productions ever.

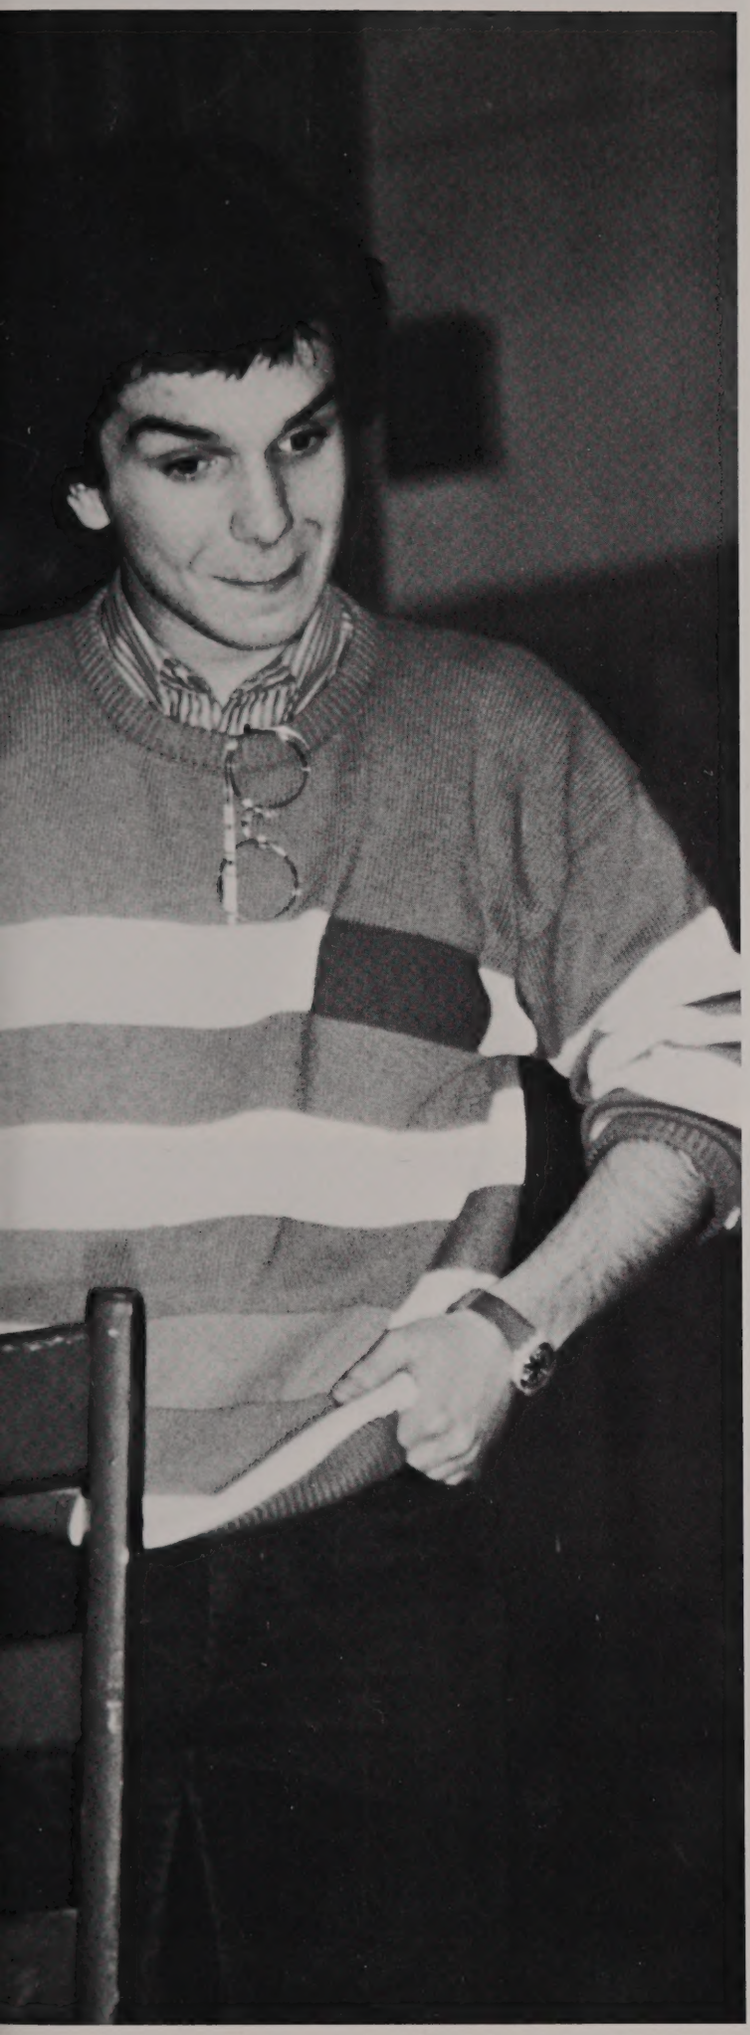
A Thousand Clowns

On February 13 and 14, 1987, the St. John's Drama Club presented the comedy hit A THOUSAND CLOWNS by Herb Gardner. Starring in this production were seniors Rob Mess (Murray Burns), Ethan Mathi (Albert Amundson), Chris Klofft (Arnold Burns), junior Rick Homan (Leo Herman), sophomore Emanuel Bardanis (Nick Burns), and Notre Dame senior Dawn Reddy (Sandra Markowitz); senior Bill Brown served as student director and individual drama coach. A THOUSAND CLOWNS was the St. John's entry in the Boston Globe Massachusetts Drama Guild Competition; Rick Homan and Mano Bardanis came away with individual acting awards. The set was designed by Mr. Patrick Dolan and senior Andy Sonier; Mrs. Carol Fredette was the director.

Chris Klofft plays Murray's successful brother.

Rick Homan won an individual award for his role as Leo Herman, an immature T.V. host.

Emanuel Bardanis and Rob Mess combine for a musical duet.



Emanuel Bardanis shocks a social service worker (played by Dawn Reddy) with some of his favorite toys.

Ethan Matyi plays social worker Albert Amundson.

LANGUAGE CLUBS

For the members of the St. John's French Club, "Learn a Language, Live a Culture," is a motto that over the years has offered its members the opportunity to discover the incredible diversity of Franco-Canadian culture.

This year, under the direction of Mr. Paul Jourcin and Mr. Patrick Dolan, the French Club enjoyed the fast-paced comedy of Jean Giradoux's **La Folle de Chaillot** at Brandeis University. The International Club Dinner, a long-established French Club tradition, gave more than 75 students the opportunity to sample a rich variety of French, Canadian, Spanish and Italian cuisine at Notre Dame Academy.

February vacation will long be remembered as a truly fun-filled educational adventure as 91 St. John's Pioneers invaded Montreal and Quebec for five days. Beginning with the technological wonders of Montreal's underground city and Olympic Park, the students stepped back in time to discover Canadian folklore, music and dance at a medieval banquet and discovered the beauty of Notre Dame Cathedral. It was on to the walled city of Quebec to relive the battle of the Plains of Abraham and tour Parliament before spending an entire exhilirating day of innertubing, tobogganing, and ice-skating at Village des Sports.

In early March, members of the French and Spanish Clubs participated in the National Language Exams. More than 30 students were recognized at the local level of competition. Roger Heiniluoma, Tim Hunt, Mike Kruczynski, Mike Starr, Robert Thayer, Pat Farrell, John Tyon, Kevin Tyldesly, Silvio Manzano, Steve Mahoney, Tom Duggan and Andy Jagodnik distinguished themselves at the State competition.

ICON AND FORENSICS

This year was one of the proudest in **ICON's** storied history. The 1987 edition was the largest in recent memory (The 1986 ICON was honored by the National Council of Teachers of English as one of the top high school magazines in their national literary magazine contest). The year culminated with the first ever ICON Award Dinner held in conjunction with the English Club. The dinner was held on May 12th and the award winners were cited. This year's editors were seniors Jim FitzGerald and Gary Alizzeo and associate editor Colin Silva, '88. Through their detailed direction, the magazine achieved new heights of excellence. The ICON moderators, Mr. David Vilandre and Mr. Michael Lahey, proudly oversaw all operations of the magazine. Contest winners this year included Seniors Tim Cronin, Mike Dube, Dave Tozeski, and Jim FitzGerald; Juniors Sean Dolan, Jonathan Budzyna, John Roche, Matt Pagano, and Eric Butzke; Sophomore and Freshmen winners Seamus Hastings, David Willis, Mike Fauerbach, Greg McConnell, Donald Cook, Dana Felicetti, and Tom Clark.

The **St. John's English Club** commenced a new activity series this year with the institution of the Forensics Club. Members conducted a schedule of Intramural Debates on contemporary issues, ranging from the situation in Northern Ireland to whether or not Catholic schools ought to be separately classified for athletic competition. The Forensics Club was ably led by juniors Dan O'Sullivan and Matt Pagano.

The annual English Club Short Story Contest was held this year under the direction of senior Chris Klofft and juniors Kevin Flynn and Rob Randolph. Award winners were Colin Silva for "Night Cards," Matt Kusza for "The Edge," and Sean Dolan for "Dance Macabre." Members of ICON and the English club celebrated the end of the contest seasons with a Dinner held in the Manor. Entertainment was provided by Gary Alizzeo and Rob Randolph.

Members of the English Club also toured England and Scotland this April. With fine weather everywhere, students visited literary and historical sites throughout the United Kingdom, with their stay in Edinburgh perhaps a highlight of the trip.

HONOR SOCIETY

The Brother Campion Chapter of the St. John's National Honor Society was founded in 1955 after its namesake, Brother Campion McPartland, a Worcester native who was principal of St. John's from 1929 to 1935. Abiding by the National Constitution of the Honor Society and its guidelines, the Brother Campion Chapter extends membership to qualified second-semester sophomores, juniors, and seniors who have maintained a minimum 4.7 grade point average.

In evaluating invited candidates, an Executive Committee considers leadership, service, and character in addition to academic ability. Each candidate is expected to participate in at least three extra-curricular, service, or community organizations. Although the NHS recognizes academic excellence, it is considered to be primarily a service organization performing tutorial services along with school and community voluntary services. The Society holds an annual Recognition Banquet to recognize academic achievement and to welcome a distinguished alumnus.

MATH TEAM, SCALE MODELLER'S, AND SKI CLUB

In 1986-87, the **St. John's Math Team** completed its 10th season in the Worcester County Mathematics League, and for the fourth year in a row, the Varsity took the league title. The team finished first out of twenty schools in each of the four league meets during the year. The team was led by senior Art Kalb who was chosen as the league's Most Valuable Mathlete and finished as the top individual scorer in the league for an unprecedented second year in a row. Juniors Robert Thayer and Steven Van Tassell and senior Brad Wyatt finished 2nd, 4th, and 5th respectively. Also placing in the top 25 individual scorers were senior Andrew Morse, juniors Andrew Olmstead, Matt Pagano and Mike Fitzgibbons and sophomore Jeff Voss.

The team participated in both the State and New England math meets. After a somewhat disappointing day at the State meet on Arpil 3rd, the team bounced back at the New England meet at Canton on May 1. St. John's finished 4th (one point out of 3rd) in the medium school division and 5th overall out of 50 schools from throughout N.E. St. John's was the highest scoring school in the team round at the competition.

Individual members of the team also achieved honors in state and national contests. In the State Olympiad, seniors Art Kalb and Mike Odell qualified as finalists by finishing among the top 100. On the American High School Math Exam, 5 students qualified for the second level exam (Mike Odell, Art Kalb, Brad Wyatt, Bob Thayer and Chris Ziegler.) Art Kalb, Brad Wyatt, Bob Thayer, Steve Van Tassell and Matt Pagano also competed for the Western Mass All-Star team held at Penn State University. Art Kalb was chosen as the winner of the prestigious Mathematics Service Award, given to only one student from across the state this year.

The freshmen team finished 3rd for the year in Division A. Joe Symock, Mike Kruczynski, Mark Mullins and Mike Starr led the team and finished among the top 15 in individual scoring awards.

Mr. Stephen D. Gregory is coach of both the varsity and freshmen math teams.

Members of the **St. John's Scale Modeller's Club** occupied their year with two major activities. The annual April Model Rocket Launching was transformed into a Contest with awards going to students in areas of Craftsmanship in Assembly, Accuracy in Launching and Soft-Landing of Rockets, and for the Maxiumum Altitude achieved in flight.

Another annual spring activity has been the Scale Model Contest. Categories were added this year to accomodate "modified" or altered kits, permitting students more options for creativity. A large number of entries were received and were displayed in the main lobby.

The **Ski Club** at St. John's continues to receive tremendous support and comprises one of the largest extra-curricular groups on campus. The skiers at St. John's traveled to Loon Mountain to open the season. Other day trips were to Killington and Mt. Snow. The Mt. Wachusett afternoon/evening program continued with 42 students participating and larger numbers being turned away because of limited space on the bus.

The European tradition continued in the Gastein Valley of Austria. Students are fascinated with the European Alps, the traveling, the money exchange and many other facets. Next year's plans center on Davos, Switzerland.

JAZZ ENSEMBLE

The St. John's Jazz Ensemble, now in its 6th years, enjoyed another fine year of performances and competitions. The goal of the group is to provide talented musicians the opportunity to develop their ability within the context of jazz music.

For the second year, the Ensemble sponsored and performed at two evening concerts held in the gym. The Christmas Concert featured both holiday and jazz selections with the Notre Dame Academy Chorus performing a number of Christmas songs. The Winter/Spring concert in March featured various musicians in the band in both individual and group acts.

On February 28th, the band performed in Boston at the Berklee School of Music Jazz Festival. The Central District H.S. Competition took place on March 2nd at Bartlett High with Mike Fitzgibbons, Roland Russell, and Chris Meola receiving outstanding musician awards.

Here at St. John's, the Jazz Ensemble performed at the Open House for incoming freshmen, the Thanksgiving Rally, and the annual Spring Show in May. For the third consecutive year, the band performed for the opening day ceremonies of the Shrewsbury Little League.

RACQUETBALL/CHESS BIOLOGY

The **Racquetball Club** seeks to develop a competitive edge and a spirit of camaraderie. The season starts in the fall with the creation of a pyramid. The best players are seeded at the bottom and play their way to the top. When court skills have been developed, the annual SJ Racquetball Tournament is held at the Shrewsbury Racquetball Club. Trophies, T-shirts, and prizes are awarded in each of the four divisions. SJ students enjoy a special membership at the Racquet Club which includes discount memberships and reduced court costs. Mr. Doyle, the club moderator, facilitates membership, transportation, instruction and participation.

The **Chess Club** is composed of 16 students. From the membership, 6 or 7 members are chosen to comprise the Chess Team. This year, SJ finished tied with Nashoba for 1st place in its division. Unfortunately, SJ finished 2nd to Nashoba in the District play-offs. St. John's competes against Nashoba, Worcester Academy, and St. Mark's.

The purpose of the **Biology Club** is to allow interested students an opportunity to add to their classroom learning experience through various activities. Members have visited the U. Mass Medical lab facilities, toured Tufts Veterinary School, and explored the ponds and woodlands of the Quabbin Watershed area. We have investigated the diversity of life through exhibits at the Harvard Museum of Vertebrate Zoology and the N.E. Aquarium. Members of the club have the opportunity to use the bio lab facilities at the end of the day for various experiments to reinforce their understanding of basic biological concepts.

ALL ABOARD!!!

The St. John's Railroad Club, under the leadership of club president Jonathan Budzyna, experienced an active and enjoyable year. The first half of the year was devoted to excursion trips, including a trip to Hyannis on the Cape in early September aboard the cars of the Cape Cod & Hyannis Railroad, a foliage trip to Gardner on the rails of the Providence & Worcester R.R., and a Christmas vacation trip to New York City via Amtrak. Incredibly high insurance rates cancelled some of the other planned activities, although the club is looking forward to a four-day jaunt to Chicago, the railroad hub of the U.S., in July.

At the home depot, the basement of Flavian Hall, work progressed on the St. John's & Worcester scale model railroad. By the end of the year, the two-track mainline was completed and work had begun on the large classification yard. Hopefully, September will bring a new crop of freshmen "gandy dancers" to help complete the model.

JUNIOR ACHIEVEMENT

Mr. Reidy moderates the Junior Achievement program, which is designed to help students learn the practical application of the principles of Economics. This year the outstanding young businessmen nominees were Sean Flynn and Roger Heiniluoma. Kerry Gallivan was nominated for President. Brad Wyatt and Sean Flynn were nominated as Vice-Presidents of Marketing. This year one of Mr. Reidy's economics classes participated in a school-day version of the evening program. Paul Revere Ins. Co. funded the pilot project. Mike Iacobucci was President; officers included John Brady, Dave Hurton, Jonathan Haddad and Jason Adamski. (The class is pictured to the left, below).

THE LIFE OF THE SPIRIT AT S.J.

Twenty members of the senior class, reflecting the rich diversity within the SJ family, come together as the **Senior Retreat Team.** They are athletes and actors, scholars and strugglers, outgoing and shy. What they hold in common is the desire to nurture their personal growth within a community experience, an interest in developing leadership skills, and a willingness to serve.

Believing that achieving peace within ourselves and our immediate communities is the first step toward achieving world peace, the retreat team builds community upon a cornerstone of prayer and communication. As the seniors share their life experiences, they grow in appreciation of one another's giftedness and value, respect for individuality, and sensitivity to their common humanity. Through a peer ministry program, these seniors share their experiences and awarenesses with underclassmen in school-sponsored retreats held each week at the Manor House.

Nine **Sophomore Retreats** were held in 1987 on Mondays beginning March 9th and ending May 18th. Sophomores attended the retreats according to their homeroom class groupings. Mr. Siciliano directed the retreat program with the help of 38 juniors who were divided into four groups. The theme of the sophomore retreat program is Positive Self-Awareness. Juniors led small discussion groups, gave talks, and led larger groups dealing with the transition from sophomore to junior year, personal faith experiences, relations with friends and family, and peer pressure. The retreat day also includes a positive reflection meditation and concludes with a group prayer service.

The **Freshmen Retreat Program** came of age in this its fourth year when for the first time the seniors working on the team had made the retreat as freshmen. This was evident in the smoothness and effectiveness of each of the nine retreats which Brother Alois termed "our most impressive ever." The program consisted of opening and closing talks by Bro. Alois, two discussion sessions with four small groups, each guided by two seniors and two juniors, two short films and a sharing given jointly by four seniors. "For the older students to give witness to the frosh of their love of the Lord and their eagerness to proclaim their determination to live up to a high set of moral values is surely one of the most inspiring things the youngsters are exposed to all year," opinioned Brother Alois.

JR./SR. SEMI-FORMAL

On Saturday evening, November 15th, eighty St. John's juniors and seniors and their dates came to the school cafeteria to attend the popular annual Junior/Senior Semi-Formal dance. Senior and Junior class officers Rajesh Mundra, Gary Alizzeo, Dave Dougherty and Dan Ennis, along with Mr. Jourcin, Mrs. Curran, and other volunteer students and faculty members, transformed the cafeteria into an exciting and beautiful fall/Thanksgiving holiday landscape. The group "Cats" performed marvelously, and everyone enjoyed the roast beef dinner served by the cafeteria ladies. It was a memorable evening.

SOPHOMORE DANCE

Friday, May 8th, was the second spring show holiday. It was also the evening for the annual sophomore semi-formal. 58 couples gathered in the cafeteria, feasted on a full-course chicken dinner, and danced the evening away, courtesy of disc-jockey Dave Tozeski, Class of '87. John Reidy and Carter Hunt aided Mr. Nicole and Mr. Hook with the decorations. It was an enjoyable evening for all.

FRESHMEN DANCE

On the cold winter's evening of January 16th, the warmth of the Manor House welcomed 45 St. John's freshmen and their dates to the annual semi-formal. Freshmen Jon Drews and Bob Henry carried out the disc-jockey duties. The cafeteria ladies provided a complete chicken dinner along with the punch and snacks. And the Manor House provided the perfect setting for an evening of enjoyment.

A (K)NIGHT AT S.J.

On Saturday, November 8th, St. John's was magically transformed into an exquisite Castle to help enhance the 1986 Auction Theme, "A Medieval K'Night."

The King of the Manor, Brother Thomas Fahey, and his royal auctioneer, Paul Zekos '85, lowered the drawbridge to the "Castle on the Hill" and invited all of the St. John's community to join them for the Royal Auction. The torches were lit, the gardens were blooming, the knights were on guard, and the tables were set as the festivities began. There was feasting, fun, and shouting throughout the K'Night, and as the celebration came to a close and the castle began fading in the clouds, it was agreed by all in attendance that the evening was a most successful and memorable one.

The Ladies of the Mothers' Guild work many long hours throughout the year in planning this event, but without the help and expertise of the staff and so many of the students, there could be no auction. The unity of the St. John's Family was certainly shining brightly on "Auction Evening 1986."

JUNIOR PROM

On Saturday evening, May 9th, 156 members of the junior class and their dates assembled at Mechanics Hall in Worcester for a truly memorable Junior Prom. The time and effort of class officers Dan Ennis and Dave Dougherty and junior moderators Mr. Vilandre, Mr. Danna, and Mr. Houston translated into one of the best and most enjoyable of junior events. From the opening reception line to the last strains of music provided by "Down East," the evening proved a night to remember.

M.G.M.

Each year, during the first week of May, the St. John's Gymnasium is transformed into the Pioneer Music Hall for the annual spring musical spectacular. This year's show, M.G.M.-Movies, Glorious Movies, paid tribute to the 100th anniversary of Hollywood by presenting a nostalgic look at the various movie genres that Hollywood has developed.

Preparation for the show began before the February vacation with the inauguration of the Ad Drive. Over $83,000 worth of ads were sold by the student body, thus making the annual program book on a par with the Worcester phone directory. The dedicated Stage Crew met every Saturday in the Manor House basement and there created the most extravagant sets to date for a spring show. Saturday morning rehearsals from February through April brought together hundreds of talented and dedicated students, male and female. Music directors Brother Stephen and Mr. Brady, and choreographer Sheila Waters Fucci, brought order from chaos, and by opening night, May 1st, enthusiasm was high and the show was a great success!

SPORTS

Throughout its twenty-five years in Shrewsbury, St. John's has always maintained a proud athletic tradition. 1987 proved no exception. In their quest for state championships, SJ teams generated tremendous enthusiasm from the entire student body. Students packed crowded hockey arenas to spur the hockey team on to its division championship. The defending State Champion soccer team found overwhelming support from its fans who lined the sidelines to see the action. The defending Superbowl champion football team, returning to Fitton Field for the first time in years, crushed St. Peter-Marian in the annual Turkey Day classic. The Cross-Country, Tennis, and Golf teams continued their habit-forming capture of District titles. In 1987, athletics acted as a catalyst to bring the entire school closer together. By playing their hardest, these teams gave their fans a fantastic season and a lifetime of memories.

FOOTBALL '86!

The Pioneer Football Squad continued the winning tradition this year. The season opener against Leominster was a heart-stopper that will be remembered for years to come. Down two touchdowns in the fourth quarter, the Pioneers marched three straight times for three consecutive touchdowns to take the lead 20-16. With three minutes remaining, Leominster scored to come within one point of the Pioneers. Leominster chose to go for two points and junior Terry Reidy was there to make the game-winning tackle. Next, the Pioneers defeated the Naps of Holy Name by a score of 14-0. Led by co-captain Joe McCarthy, this victory was spearheaded by the Pioneer defense which allowed less than 100 yards of total Nap offense.

With a 2-0 record, the Pioneers hit rough water with two consecutive defeats: The first to Doherty with the explosive running of Steve Hathaway; the second to Malden Catholic, a powerhouse team from the Boston area. At this point, with a 2-2 record, the Pioneers faced a surprisingly strong St. Bernard's. Led by junior running back Jeff Johnston, who had 205 yards rushing on the day, the Pioneers won.

A truly disappointing 13-12 loss to cross-town rival Shrewsbury led some to think the season would go downhill. However, what followed was a crushing victory over favored Wachusett, 25-0, headed by quarterback Brett Russ, "The Maryland Rifleman," and fullback Mike Pratt.

For the first time in eleven years, the annual Thanksgiving game against St. Peter's was played at Fitton Field. This "Mud Bowl" was played before 8,000 fans. With a 20-6 victory, the Pioneers were, for the second consecutive year, Central Mass. Conference Champs with a proud season record of 7-3.

JV/FROSH FOOTBALL

The JV team, led by Coach Aaron Powell, had an excellent 5-1-3 record, losing to only a tough Malden Catholic team. The SJ offense was led by running backs Joe Murphy, Moses Raymond, Carter Hunt, and Pat McCarthy. The aerial attack was generalled by quarterback Sean Murray and receivers John Reidy and John Morse. The offense line was anchored by center Steve Power, tackles Chris McMahon and Nick Kean, and guards Keith Fletcher and Rob Monahan. Carter Hunt captained the defense along with fellow linebacker Chris McMahon. The line was backed by solid play from Keith Hay, Jim Flaherty and cornerback Ken Dyer. More good things are on the horizon in '87.

After allowing 34 points in the first six quarters of the '86 season, the freshmen team allowed only 30 more while scoring 115 on its way to a 5-1-1 season. Under new freshmen coach John Legere, the team featured 22 starters, an offensive unit and a defensive unit.

The outstanding runner on the offensive team was Vin D'Amato who ran for 600 yards while scoring 50 points. Brian Dail at quarterback, Peter Rice as the top pass receiver, Chris Schofield at tackle and Paul Newsham at center were also outstanding. The defensive team was led by John Jeniski at end, Jeff Fedor at nose guard, and Shawn Sprague at strong safety. The team had 3 shutouts. All players who were present for a game played in that game!

FALL CREW

St. John's Varsity Crew enjoyed a successful fall season. The season began with an impressive medal-winning performance at the Head of the Connecticut. The following week at the Head of the Charles in Boston, the first boat placed fifth among high schools. The climax of the Regatta occurred when the St. John's crew overpowered Choate. At the Snake Regatta on Lake Quinsigamond, the varsity crew earned a top position, beating the Universities of Lowell and Connecticut and WPI's freshmen.

In November, the varsity crew traveled to Washington, D.C. to compete against Georgetown University's freshmen. In several pieces, our guys won convincingly. The varsity season concluded with St. John's accepting an invitation to row at the Frostbites in Philadelphia. Once again, our varsity first boat proved its strength by finishing near the top of their division. Captains John Dorsey and Brian McNamara were instrumental in coalescing the team into a strong unit. The oarsmen for the first varsity boat were Rich Kennedy, Brian McNamara, Dave Blake, Torrance Houlihan, Andy Davidson, Andy Curtis, John Dorsey, and Dave Carlstrom. Michael Hannigan and Peter Griffin were the Varsity coaches; Mr. Deedy moderated the novice program.

VARSITY SOCCER

This year's soccer team found itself in a unique situation — defenders of a state championship title. Although another title eluded its grasp, this year's team performed in such a way that left few or no regrets. A 10-3-6 regular season record propelled the team into the District Tournament for the 5th year in a row. A superb 1-0 victory over a tough Holy Name in the quarter finals raised hopes for another District title. Marlboro High, however, had other thoughts, and played nearly flawless soccer in handing the Pioneers a 4-1 loss in the semi-finals.

The offensive chores during the season were capably handled by Central Mass. All-Stars Shane Hassett, Glenn Griffin, and Dan Bouvier. Shane, a 4-year starter and co-captain, ended his career by being named an All-State and All-New England player. The defense, led by fellow co-captain Ron Pike, deserved equal praise in allowing a mere 1.3 goals per game. The graduation of these players, along with fellow classmates Jim Canavan, Kevin Daly, Jay Duke (C.M.C. Honorable Mention), John Gallinagh, Eric Lapionte, Dave Scheffel (C.M.C. 2nd Team All-Star) and Rob Nydam leaves many holes to be filled. The tradition of excellence has been handed on to some talented underclassmen who promise to lead the Pioneers "Back to W.P.I." and new and exciting tournament play.

VARSITY HOPEFULS

The 1986 **JV Soccer** team enjoyed a successful season, finishing with a 12-4-2 record. The character demonstrated by this particular ballclub is quite a tribute to every player on the team. The desire and workmanlike attitude demonstrated by all the players allowed the team to overcome a poor start. After three games, the JV record was 0-2-1.

The team regrouped to win 12 of their last 15 games. The strong defense allowed just 6 goals against in the remaining 15 games to finish with a .61 goals against for the season. The defense included Jacob Nunnemacher and Mark Montimurro splitting the goalie duties; Peter Van Dyke, Jim Malone, Kevin Dexter, Joe Lavoie, Dan Gilligan, Paul Sestito, Bruce Army, and Rich Paglia played very well in front of the goalies.

Offensively the team took a few games to get on track, scoring only 2 goals in the first three games. Starting at Doyle Field in Leominster, the team was back on track by knocking in six goals. The offense proceeded to score 16 goals in the next four games and tallied 42 goals in the last 15 games. The supporting cast included Peter Rooney, Matt Ramsey, Brian Boucher, Greg Serpa, Justin Morini, Mike Roncone, Mark Mullins, Tim Slavin, Steve Scheffel, Jay Clancy and Scott Gregorczyk. The most exciting season game was at Nashoba, where the Pioneers snapped an undefeated 15-0 mark with a 2-1 victory.

The **Freshmen Team** struggled to a 2-9 record against tough competition. The team was led by the spirited goaltending of Sean Spingler, the consistent effort of sweeper Craig Cecchini, and the all-round fine play of midfielder Casey Nelson. Other team members were forwards Brad Devroude, Tom Holden, Dan Heinold, Kevin Magill, and David Mooradian; the midfield corps of Mark Troy, Mike Giassi, Jason Ellis, and Scott Boulay, and defenders Andy Bartholomew, Chris Bateman, Sean Murphy, Chan Winchester, Kevin Forrest, Rich Kinne, Jon Drews, and Chris Woll.

CHAMPS AGAIN!!!

This year's Cross Country team was the undefeated District Champions for the second straight year. Senior captains Mike Turpin and Glenn Anderson also led the team to the Central Mass Conference Title, the Wachusett Invitational Championship, the Kiwanis Race team championship, and a seventh place finish in the State Meet. The latter ties the highest finish ever for the Pioneers.

The harriers have not lost a dual meet since September of 1984 when that team suffered its only loss on the way to St. John's first District title; the Pioneers have not lost the crown since then. Another key runner this year was Jeff Daoust, who won both the Knights of Columbus and the Kiwanis Races and was selected to the Telegram and Gazette All-Star Team. Five Pioneers were elected to the C.M.C. All-Star team: Mike Turpin, Jeff Daoust, Glenn Anderson, junior Chris Berg and senior Dave Henry.

Other Varsity team members include seniors Sean Glew, Scott Mitchell, Dave Makynen, and manager Joe Ellen. Juniors Matt Zaterka, Pat Maunsell, Tim and Mike Trainor, sophomores Tom Nydam, Mike Fauerbach and Chris Drury, and freshmen Bob Gooltz and Tom Clark round out the complement. Coaches Rich Houston and Raul Laborde look forward to another successful year in '87.

VARSITY BASKETBALL

The Varsity Basketball team had another fine season, thanks to the hard work and dedication of all the boys on the team. As the season progressed, the team came on strong, winning 7 of its last 8 games, and finishing with an overall 14-6 record. This was good enough for a 2nd place finish in the powerful Central Mass Conference. The team qualified for the District Tournament for the 6th straight year.

The team was led by its two top scorers, Mark Bagdasarian and Matt Shortsleeve. Both were named to the Central Mass Conference All-Star team. The year was full of many meaningful accomplishments that the seniors who worked so hard can look back at with pride.

JV/FROSH B'BALL

The **J.V. Basketball** team had another rewarding season. Coach John Pepi did another fine job making sure that everyone played in every game. The team accomplished its main purpose which is to prepare boys for the varsity level.

The team was led by Brian Blaney and Tony Hay. Providing rebounding were Matt Beauregard and Rob Vigeant. Leading the team with their defense and aggressive play were Mark Abdella, Dave O'Brien, Kevin McArdle, Jay Yamin, and Steve Kelleher. Also helping out were Jason Wiseman and Frank Sweeney.

The team had many exciting games and ended the year with a rewarding 10 wins and 10 losses.

The **Frosh Basketball** team had another interesting season under the leadership of Coach Abdella. The team hustled its way to a record of 10 wins and 9 losses. They played a brand of basketball that was exciting to watch as well as to play.

Many individuals showed future potential. Gabe Glaza, Pat Kett, Paul Newsham, and Mark Troy ruled the boards. Mark Montimurro was an exciting playmaker. Fine aggressive efforts were displayed by Aaron Forgues, Brian Patterson, John Polidori, Mike Roncone, Todd Pendleton and Tim Slavin. Some outstanding defensive play was provided by Jeff Fedor, Todd Gleason, Rob Keleher, and Mike Vivaldi.

WINTER TRACK

The Indoor Track team once again proved to be one of the top teams in the district for the '86-'87 season. Having won in '85 and finishing second in the districts twice in '84 and '86, the Pioneers were feared by many teams.

The supporting cast of upperclassmen, along with a few sophomores and freshmen, indicated a very promising finish from the outset. The quest from day one was to extend Coach Gerry Frew's consecutive dual meet streak, the second longest in the history of Central Mass.

The team was led by seniors Glenn Anderson, Scott Cotoia, Dave Henry, Scott Mitchell, Dave Shanley, Rob Nydam, and captains Eric DeJong, Mike Turpin, and Brian O'Connor. The junior parade consisted of Chris Berg, Pat Maunsell, Rich King, Jim Kenary, Craig Bramley, Jeff Daoust, Dave Flinton, Tim McNeil, Jim Curran, Dan Donovan, and Matt Zaterka.

Ensuring success in the future, Tom Nydam, Lou Foisy, Peter Zinkus, Roger Heiniluoma, Rich Gondek, and Bob Gooltz contributed a great deal to the team.

The Pioneers started well but ran into a tough Wachusett team that snapped the streak at 70; this was the first indoors loss since 1980. The District meet see-sawed between St. John's and Wachusett, with the final nod going to Wachusett by 4 points. This was the first time a team scored over 60 points and failed to win the Districts.

CHAMPS ON ICE!!!

The 1986-87 St. John's Varsity Hockey Team, guided by coaches Brian Murphy and Tim Duffy, finished the season with an impressive record of 17 wins and 6 losses and 1 tie. Some of the highlights of the season included wins over Austin Prep, Malden Catholic, St. Peter-Marian, and a tie with Division One Eastern Mass. powerhouse, Boston College High.

The first goal of the season was accomplished by qualifying for the playoffs. The District E Championship was captured by meting out defeats to North Middlesex, Marlboro, and Wachusett. The team then traveled to Springfield and defeated Agawam to capture the Central-Western Massachusetts Championship. On March 12, 1987, the St. John's Varsity Hockey Team realized a dream come true by playing in the Centrum before 6,000 loyal fans for the State Championship. After a hard fought battle, the Pioneers were to be defeated by a tough Matignon squad by a 6-3 score. The nine senior members were the main reason for this year's successful season. Led by Captains Dennis Leroux and Neil Manning, along with alternates Mike Erickson and Dave Hurton, and combined with the dedication and commitment of Paul Ohman, Bob Wetherbee, Chris Edgren, Brett Frankian, and C.B. Tuite, the team was given the leadership and direction it needed to become true champions.

JV "A" & "B" TEAMS

The **JV Hockey "A" Team** finished with a record of 11-2, including big wins over Malden Catholic and St. Peter-Marian. The only losses came at the hands of B.C. High and Xaverian, both Division I schools of the Boston area.

Freshmen Mike Shustak and Jon Drews established themselves early as offensive standouts, playing on the first line and scoring the bulk of the goals in the early season. Shustak then moved up to the varsity and had an excellent season. Sophomore Chris Tuite also played on the first line and showed his ability to score in the second half of the season, picking up the slack left by the absence of Shustak.

Freshman Bill DiBuono and sophomores Bill McMahon and Sean Ryan led the defensive play early, and sophomore Craig Haynes came on in the season's second half.

The JV team was blessed with two excellent goaltenders, sophomore Jim Dickman and freshmen Steve Clark, who made scoring by the opposition tough all year long.

The **Junior Varsity "B" Team** under coach Jim Butcher finished a successful season with a 10-6-2 record. Made up of sophomores and freshmen, the team played in the tough Northboro JV League and was very competitive. Led by sophomores Jay Benotti, Matt Galvin, Brendon Savage, Rich Roy, Devin Haughey, Tim O'Connor, Brian Rice, and Guy Caracciolo, the team also benefitted from the freshmen talent of Casey Nelson, Jon McManus, Mike Montiverdi, John Wise, Vin D'Amato, Steve Scheffel, John McAuliffe, Sean McDonald, Andy Ober and Jesse Boucher. The team worked extremely hard, had lots of fun, and really improved as the season progressed.

VARSITY BASEBALL

The 1987 Varsity Baseball team, though not achieving a successful season, was characterized by the courage, tenacity, and competitiveness of its 5 seniors in the face of adversity. The co-captains Matt Pedone, the Pioneer Award winner and consummate hustler and competitor, and Charlie Darling, the ultimate athlete and a pro prospect, demonstrated their leadership and maturity to the very end of the season. Shortstop Rich Farrell and second baseman Brett Russ played solid baseball all season. Outfielder Chris Murphy combined excellent ability and a no-nonsense business-like approach to emerge as one of the better all-around ball players in Central Mass.

JV AND FROSH BASEBALL

Wins did not come easy for this year's **JV Baseball Team** even though its members played with as much determination as any of the past. Poor weather, tough calls, some missed opportunities, and just plain bad luck plagued the team throughout the season. Even the most simple mental or physical lapse seemed to do its maximum damage to its victory efforts. Many fine individual performances made this cloudy season much brighter, however. Steve Kelleher proved to be a fine lead-off hitter; Keith Fletcher handled the catching chores well; the freshmen arms of John Jeniski, Aaron Forgues, and Mark Venditti showed that they possess many future victories; Carter Hunt was near flawless at first; Brendon Savage used his crafty pickoff move well. The real goals of the season did not elude this team's grasp: they played as a team; learned from their mistakes; and finished the year better ball players than when they began.

The 1987 **Freshmen Baseball Team** was highly successful, finishing with an impressive 8-6-1 record despite heavy spring rains that forced the team to play 11 of its 15 games on the road.

Leaders of the offensive attack were James Werme (.467), Shawn Sprague (.446), Peter Rice (.404), Matt Ludy (.400), Chris Joyal (.348), Matt Pano (.323), and lead-off batter Scott Boulay (.304). Strong and consistent pitching by Sprague, Joyal, and "relief Ace" Mike Ceppi kept the team in every game.

The Freshmen Team played as a unit, learned some baseball, and had fun. Many will go on to JV and Varsity; all can look back with happy memories of their freshmen season.

WINNING SEASON!

Although the tennis team had lost six of last year's starters by graduation, they did a fine job of regrouping and posted an excellent 17-3 record. They made the finals of the District play-offs for the ninth straight year, and won the Championship for the third time in the last four years. Their most impressive victory was a 3-2 win in the finals of the play-offs over Wachusett, the only team they had lost to during the season. The play of captain Rich Stone, Mike Canfield and Andy Cope in singles and the doubles teams of Joe Bafaro — Terry Brennan and Seth Roman — Andy Rixham was outstanding. Most exciting is the fact that the team loses only one starter by graduation this year, and that five freshmen saw a lot of action and showed much promise for the future.

DISTRICT CHAMPS!

The 1987 Pioneer Golf Team compiled a 10-2 Central Mass Conference record and finished the season with an impressive overall record of 17-2. In District E Division I, the SJ golfers captured their 9th Team Championship in the last 10 years, defeating Wachusett 310 to 322. St. John's was led by Senior tri-captains Paul Grondahl (71), C.B. Tuite (78) and Jay Duke (80). Brendan Hester, Chris Quinn, and Brian O'Connor all had qualifying scores of 81.

In District E Individual qualifying, Paul Grondahl and juniors Brendan Hester and Chris Quinn shared medalist honors with the outstanding score of 74.

With stalwarts Brendan Hester and Chris Quinn, along with a host of other talented golfers returning, SJ hopes next year proves as successful.

SPRING TRACK

The Spring Track team continued its winning tradition this year, compiling a 6-3 dual meet record. That is more losses than the team normally experiences, but it is reflected by the outstanding competition throughout the District this year.

The team took third place in the District E Relays. The C.M.C. Relays provided a great rebound as the team captured the Crown, reflecting the great depth the squad does possess. The C.M.C. Frosh/Soph meet was won by St. John's with an unprecedented 200 plus points, a total unmatched in the history of the meet.

The District Class A Championship was a tough one for the Pioneers because of the intense level of competition, and a fifth place finish was somewhat disappointing. The District All-Class meet was a challenge. Jeff Daoust won the mile event easily. Rich Gondek nailed down a 3rd place in the 220. Brian O'Connor grabbed a 4th place and one week later set the school record in the 120 at 15.3. Tim McNeil was the other All-Class scorer, taking a 3rd in the 400. With young athletes returning, the trackmen look to the future with confidence.

SPRING CREW

After an intensive winter training program of ergometer interval program and circuit weight training, the Varsity Crew Team was ready for the spring season. The weather, however, was not, and did not cooperate. The spring season was marred by two floods, heavy rains, one snowstorm, and late in the spring, a 17 inch snow blizzard!

Through it all the oarsmen worked diligently (and sometimes played as the picture below would indicate) on their technique and power. A scrimmage against visiting Bedford (England) School proved that our boys still had work to do. A month later, the varsity crews rowed quicker, had excellent leg drive, and had improved their swing. Besides scrimmaging with the Bedford School, the Varsity won a race against Andover Exeter but watched the remainder of the season destroyed by the weather as races with Arlington, Middletown, Tabor were cancelled. Losses were posted to Simsbury and the Quinsig Cup. The third boat enjoyed the hard-fought victory over Simsbury, winning the race by a seat.

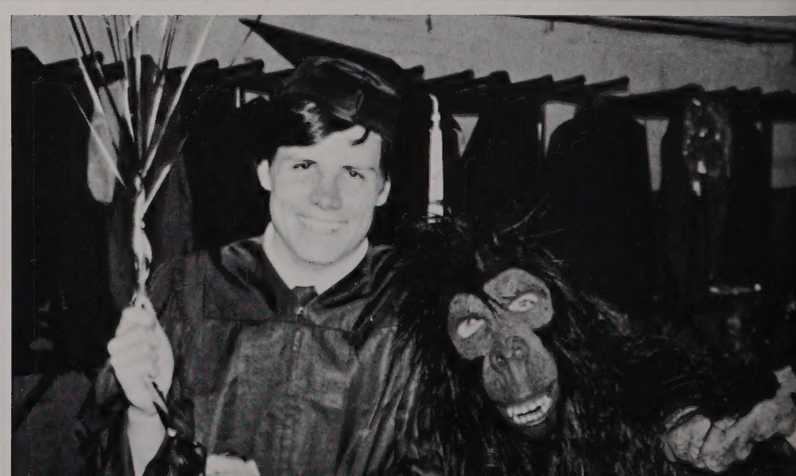
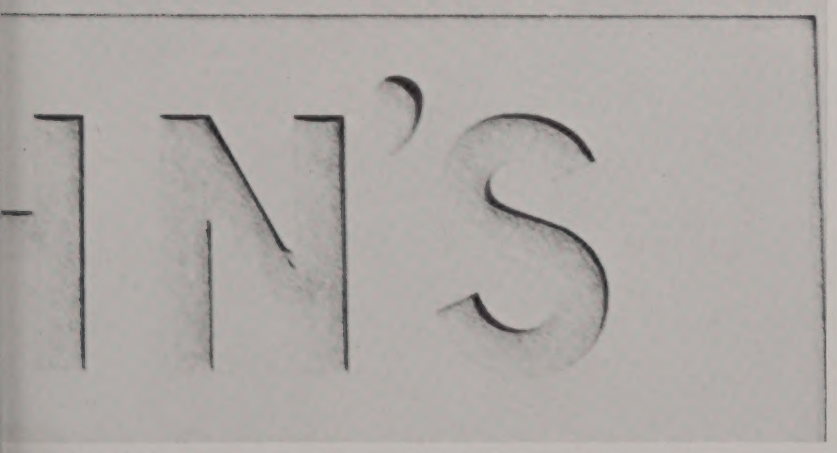
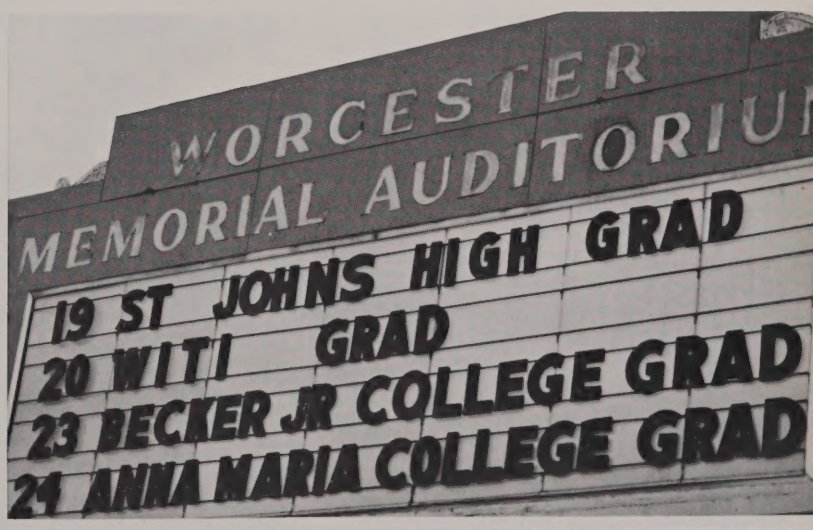
SAINT JO



A TIME TO LEAVE

Twenty-five years ago, the ninety members of the Class of 1962 arrived at the end of their high school career. Twenty-five years later, the 243 members of the Class of 1987 have now reached this special time of anticipation and, at times, anxiety, the end of four years of high school at St. John's. As this four-year era draws to a close, certain events mark the rite of passage from high school to what lies beyond in life. Such transitions are always tinged with sadness; yet, it is with great pride and high expectations that we bid our seniors farewell.





CHANGE!!

Moving a high school from a city to a town six miles away would certainly qualify as a definition of change. However, many additional changes have taken place at St. John's since its opening in Shrewsbury some twenty-five years ago. If the present student body could transport itself back in time to September of 1961, changes unimaginable would confront it.

The gymnasium, cafeteria, and northern half of the classroom building were merely ruled lines on an architect's blueprint. A verdant landscape of woods and trees obscured what we today call the bus port. Foliage grew right up to the gym's side doors. No tennis or racquetball courts or playing fields existed behind the school. No granite sign or rolling hill greeted the visitor on entering the lower driveway. The front lawn was literally a land-fill and dumping ground for leaves, rotted tree limbs and the like. Flavian Hall would not be built for 4 years, and for the first half-decade of its existence, it would serve as a juniorate building for young men interested in joining the Xaverians, not as a classroom building. A stroll behind the Manor House would reveal a sunken rose garden in place of a swimming pool. The present garage and shed house served as the Brothers' residence, and because of the large numbers of Brothers, the overflow slept in the school building, namely the present Guidance and Athletic Director's Offices.

Time would bring changes until St. John's became what it is today. Perhaps the Yearbook editor in 2112, the 50th anniversary of the school in Shrewsbury, will have tales of more change to tell.

The plans for the

TEMPLE STREET

August, 1894: Brothers Robert, Hugh, Anthony, and Calasanctius arrive in Worcester to staff grades 4 through 6 of St. John's Parish School for Boys.

1898: A three-year high school program is established under Brothers Alphonse and Henry.

1900: The Xaverian Brothers open Mt. St. Joseph's Industrial School in Millbury, MA. The school would close in 1918.

June, 1907: Seven seniors comprise the first four-year high school graduating class of St. John's.

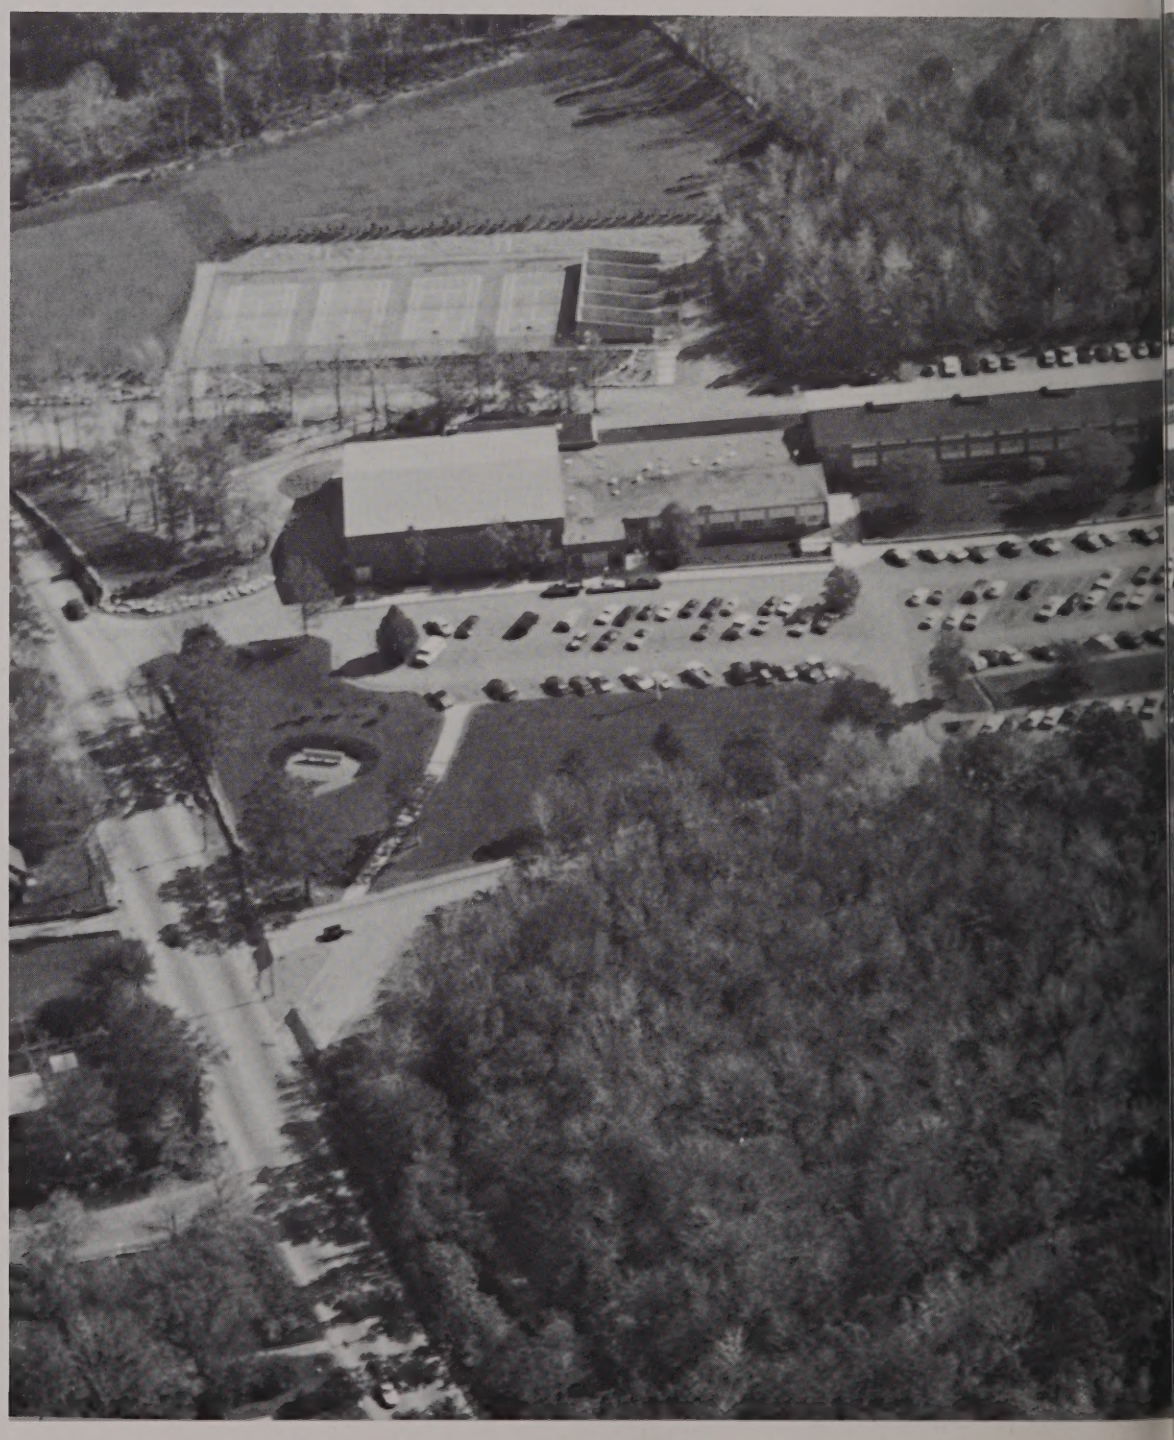
1914: A Spanish-style bungalow is constructed for Mr. Arthur Knowles Hutchins on Main St. Hill in Shrewsbury. This private residence is our Manor House today.

September, 1925: The first classes are held in the "New" Temple St. building. Our "Turkey Day" rivalry with St. Peter's H.S. began two months later.

June, 1928: The first St. John's Yearbook, "The Xaverian," is published.

March, 1938: The Brothers change residence address from 60 Temple to 38 Winthrop St.

1954: Centennial year of the first American foundation of the Xaverians. To mark the occasion, Bishop John Wright turns the running of St. John's School over to the Brothers. This would be the first step in establishing St. John's as a regional high school.



MAIN STREET

1955: The Xaverian Brothers purchase "Dunmorlan," the Spanish-style bungalow on Main St. hill in Shrewsbury.

November 14, 1959: Ground-breaking ceremonies for the new school take place on the 105 acre former Hutchins, Cleveland, and Sweet estate.

July 8, 1961: The cornerstone is laid and the building is dedicated.

September, 1961: The juniors and seniors make the transition from Temple St. to Main St.

1962-1987: The Growth continues: Pioneer Field (1962); Gymnasium and Cafeteria (1962-63); Brothers' Residence (1963); Swimming Pool (1962); Flavian Hall (1965); Tennis & Racquetball Courts (1975), Front Lawn Landscaping (1976); Manor House renovation (1977), Practice Fields behind tennis courts (1980); Renovation of the Brothers' Chapel (1985).

1975: Introduction of Advanced Placement courses into the curriculum.

July, 1978: The "Old" Temple St. school building is razed and the keystone and cornerstone are transferred to the Shrewsbury campus.

February 6th, 1987: Mechanics Hall celebration of the school's 25th Anniversary on the Shrewsbury campus.

May 19th, 1987: Graduation ceremonies for the Class of 1987; eighty years ago the first "high school" graduation was held from St. John's.

1994: Centennial Year: **St. John's 100th Anniversary** (1894-1994).

PROM '87

On the evening of Friday, April 10th, more than 160 seniors and their dates attended the Class of 1987's Senior Prom which was held at the Marriott Hotel in downtown Worcester. From seven until midnight, the couples dined on roast beef, danced to the strains of "Down East", and enjoyed the companionship of classmates and friends. The Prom, the last major social event for the Class of 1987, was a grand success and a fitting tribute to the spirit of the senior class.

GRADUATION '87

On Tuesday evening, May 19th, at 7:30 in the evening, the 243 members of the Class of 1987 were graduated from the Worcester Memorial Auditorium. SAC President Matthew Pedone welcomed the audience. The Most Rev. Timothy Harrington, Bishop of Worcester, awarded the diplomas and special awards. Andrew Morse received The Mortimer and Kathleen Buckley Forensic Award; Class Speaker Arthur Kalb was presented the Award for Scholastic Excellence. The Xaverian Award was conferred upon Scott Cotoia and Michael Turpin. The names of the graduates of the anniversary classes of 1937 and 1962 were commemorated in the graduation program. CONGRATULATIONS to the Class of '87!

ACKNOWLEDGEMENTS

1962

1987

Although the Yearbook represents the contributions of many people, we, the editors, would like to acknowledge and especially thank the following:

Brother J. Conal Owens, Brother More, Brother Thomas Fahey, Brother Stephen Comeau, and Mr. Robert Moynagh for their guidance and support.

The entire Faculty and Staff of St. John's for their ideas and enthusiasm, and for their patience in distributing endless yearbook receipts.

The moderator and members of the Student Activities Council for their financial support.

The staff of the Business Office for their kindness and assistance.

Mr. Francis "Skip" Doyle, our professional photographer, for sharing his skills and time and for his excellent photos of significant school events.

Also, we would like to thank the following:

Our moderators, whose support and advice made this yearbook possible.

Mr. John Carrier of Herff Jones Publishing Company for the many hours he spent sharing his ideas and correcting our mistakes.

The Worcester Telegram & Gazette for permission to reproduce some of their fine staff photos.

The homeroom teachers, coaches, and club moderators who took the time to identify homeroom, team, and group photos, and who wrote the copy that appears in the text of this book.

Finally, we thank the entire student body and especially the Class of 1987 for their suggestions and ideas. Good luck in all your future endeavors.

AN APPRECIATION

The yearbook staff, on behalf of the entire staff and student body, would like to take this opportunity to offer a few words of sincere appreciation to one of the most dedicated and loyal members of the St. John's family, **Mr. Frank Lachapelle** (pictured at right). For more than twenty-seven years, Frank has been a member of the custodial staff at the school. Arriving each day before 4 a.m., no matter what the weather conditions were, Frank began his day's labor long before the hustle and bustle of the school day began. His was a prodigious task — the neat and attractive appearance of a school this size — and he was fiercely loyal to it. This past winter, Frank suffered a stroke. The entire St. John's family wishes him a speedy and complete recuperation.
